Dear Sir(s),

This has reference to a letter of appreciation received by Toyam Industries Limited (TIL) from Africa Cricket Association (ACA) for TILs contribution in a successful 1st Edition of Africa Cup T20.

This event marks TILs entry in the sport of Cricket, immediately after successfully conducting its 1st of its kind reality talent hunt (Kumite 1 Warrior Hunt) in MMA.

The Africa Cup T20 was played from the 15th to 22nd of September 2022, in Johannesburg South Africa. The tournament was played by 8 associate African national teams (Kenya, Ghana, Cameroon, Uganda, Malawi, Tanzania, Botswana & Mozambique).

Commenting on the development, Mr. Mohamedali Budhwani (CMD - TIL) said "I am extremely elated to receive this letter of appreciation by none other than the African Cricket Association. Such appreciation only goes to reaffirm our faith in our execution capabilities, encouraging us to work more efficiently towards our goals.

Our long-term vision is to promote sports at grass root levels; be it cricket, MMA or any other sport that we would eventually venture into. With the event telecasted in more than 186 countries, 810 million viewers globally got a chance to see the cricket talent in these nations. In some of our earlier communications, we had explicitly mentioned our intent to promote the game of cricket not only in India but also worldwide.

The successful completion of the Africa Cup T20 underlines our maiden international foray in the sport of cricket. The learnings, we experienced, while conducting this event will go a long way in better execution of several domestic cricket events which are in pipeline.

This is just the beginning. With the series of developments that we have witnessed over the last few days, I am super excited and hope to have increased frequency of communication with shareholders".
